

Directions from the Glacier Garden to Lucerne main station

From the Glacier Garden's exit, go right and follow the high natural stone wall on the right-hand side of Denkmalstrasse slightly uphill. At the wide, wrought-iron gate, turn left and cross Denkmalstrasse to carry on into "Wesemlinrain" street, which is slightly downhill. Between the end of the short Wesemlinrain and the pavement of Zürichstrasse, there is a row of cobblestones. Go right to the corner of a building. Near the corner, mind the stone bollards and a tree. Turn left and go to the edge of the pavement on Zürichstrasse. Follow the kerb a few steps to the right until it fully descends to street level. Cross Zürichstrasse via the zebra crossing without traffic lights. Once you have reached the pavement on the other side, go left. Pass the junction with Steinenstrasse and take a few more steps to reach the "Wesemlinrain" bus stop. This bus stop does not have a boarding marker.

Take bus no. 1 bound for Obernau Dorf. Get off the bus at the fourth stop at the main station, "Bahnhof Luzern". Walk back in the direction the bus came from, following the kerb of the bus platform to a tactile paving spanning the entire width of the platform. Go right to a downward flight of stairs.

You will find a guidance path at the bottom left of the stairs. Follow this guidance path. After a few metres, follow the left turn of the guidance path. At the first branching to the right, turn right. At the next branching to the left, turn left to reach the stairs leading up to the station hall. At the top of the stairs, follow the guidance path to the right. Go to the crossing guidance path that leads through the entire station hall and takes you to platforms 2 to 15.
